## SAILING YACHT TIUA

Pure Cruise searched the world for a yacht that would be the perfect fit with the unique surroundings of Rotorua's Lake Rotoiti. After discovering a beautiful 53ft catamaran on the Caribbean island of Grenada, the Pure Cruise team sailed the yacht 9000 nautical miles to her new home in New Zealand. She also gained a new name, Tiua, on the way. Tiua means "to move with the wind" in the Maori language.

Finished in natural wood timbers, Tiua's comfortable interior features classic, simple décor in the spacious saloon, covered cockpit, fully licensed bar and three guest bathrooms.

Escape the everyday and revel in the exceptional aboard Tiua... for good times and great memories, an unforgettable eco-friendly experience!
